ROBERT RUBINO, MD, FACOG

Dr. Rubino, a nationally recognized specialist in minimally invasive gynecologic surgeries, leads a full-service OB/GYN practice with offices in West Orange, Summit, and Bayonne. He is one of the most experienced surgeons in the New York Metropolitan area to perform Her Option® Cryoablation, a fifteen-minute procedure for women with heavy periods and fibroids that is an alternative to hysterectomy (decreasing hysterectomies by 90 percent), and Essure® incisionless tubal ligation. Championing the use of new technology, Dr. Rubino has maintained a paperless office with electronic records for the past four years, and has also developed a highly interactive Web site that is a virtual office for patients to have online consultations, create their own personal health record, and access educational informa-

tion. Additionally, he has instituted 3D/4D ultrasound, a technology that has greatly improved the diagnostic capabilities for his patients. "Creating a state-of-the-art practice increases our efficiency and enables us to spend more time with our patients." In practice since 1995, Dr. Rubino has a staff comprised of the best medical talent available, including Dr. Audrey Romero, a Urogynecologist (specialist in incontinence and pelvic support problems) who trained at Duke University Medical School, Dr. Elizabeth Lucarelli, a graduate of Jefferson Medical College, and Dr. Lisa Abeshaus, a graduate of Dartmouth Medical School.

HOSPITAL AFFILIATIONS: Saint Barnabas Medical Center, Livingston; Overlook Hospital, Summit

MEDICAL SCHOOL: University of Medicine and Dentistry of New Jersey–New Jersey Medical School

ORGANIZATIONS: Diplomate-American Board of OBGYN, American College of Obstetricians and Gynecologists, American Institute of Ultrasound in Medicine, Ob/Gyn Alliance
