

Robert Rubino, MD, FACOG

Dr. Robert Rubino leads a technically advanced OB-GYN practice with the most progressive, noninvasive solutions to women's health issues. He is a recognized expert on Her Option® Cryoablation, a 15-minute in-office procedure to eliminate heavy periods, and Essure® tubal ligation, a 10-minute in-office procedure for permanent contraception.

Dr. Rubino is principal investigator in a national study for MyoSure™, a new in-office procedure for removing uterine fibroids, and will present his preliminary findings at an international scientific conference this fall. "I am enthusiastic about this research," he says. "It's rewarding to contribute to raising the standard of women's healthcare and improving the lifestyle of my patients."

A New Jersey Monthly Top Doctor for four consecutive years,

Dr. Rubino is devoted to his patients and his community. An active Summit resident, he began a mentoring program called "Tomorrow's MDs," offering high school students hands-on experience in medical research. Currently president of the Summit Board of Health, he is running for City Council this November. He is also a board member of the Red Cross and a coach of Summit youth baseball.

In practice since 1995, Dr. Rubino has a staff comprising the best medical talent available, including one of New Jersey's few female, board-certified urogynecologists. An early adaptor of electronic medical records (EMR), Dr. Rubino maintains a highly interactive website.

HOSPITAL AFFILIATIONS: Saint Barnabas Medical Center, Livingston; Overlook Medical Center, Summit.
